

The aim of the Rapid Research Service is to provide a swift and incisive analysis of policy trends and developments, and to investigate their relevance to regeneration practitioners. We are able to follow on from this research to provide specific analysis on issues of concern to your organisation, as well as tailoring our research on national issues to examine the implications for your area. To discuss this further please contact one of the policy staff below.

No.3 Freedoms and Flexibilities Negotiated in Pilot Local Area Agreements

Written by **Matthew Jackson** and **Victoria Bradford**
Policy Researcher and Policy and Information Researcher
